Our Mission and Audience

The Holy Family Fest is an annual celebration bringing together families, students, and neighbors for fun, food, and fellowship in support of the Holy Family School community. This event is inspired by the Apostolate for Family Consecration (AFC) and is proudly supported by our local pastors and parishes.

We place special emphasis on growing in devotion to the Holy Family as we navigate day-to-day family life in a complicated world.

Why Your Support Matters:

Your financial support helps us uphold our commitment to keeping costs low for the families who attend, ensuring this important event is accessible to everyone.

"As the family goes, so goes the nation, and so goes the whole world in which we live." - St. John Paul II
